Research Proposal Requirements

Research Project Description: Please refer to our FCHS Proposal Guide for an outline of the information we would like to receive: www.kuaua.org/proposalguide.

Applicant Obligations: As a condition of accepting this Award, awardees must agree to a personal interview, provide a copy of all research, papers and publications funded by this award to FCHS to be maintained in the Coronado Historic Site research library. Additionally, awardees will be expected to give a presentation to the Friends of Coronado Historic Site summarizing research findings and conclusions. The applicant’s research project must be completed within one year from the date of the award, otherwise funds must be returned to FCHS.

As part of your application process, please contact your financial aid office to determine how this scholarship might impact your financial aid package, such as taxes, grants, loans and other scholarships, should you receive this scholarship.

Send Applications and Supporting Documents to: FCHS Awards Committee, 485 Kuaua Road, Bernalillo, NM 87004 or scan and email all items to FCHSAcademicAwards@gmail.com
